LOVE

Condoms

Love yourself...

Love your partner!

Proper, consistent use of a condom:

- *Prevents transmission of HIV by 80-95%*
- *Reduces the risk of gonorrhea in men by 70%*
- *Reduces the risk of syphilis*
- *Consistent use prevents the spread of HIV*
- *Reduces the risk of sexually transmitted infection during oral sex*
- *Reduces the risk of HPV, herpes, Chlamydia, and pelvic inflammatory disease.*
- *Average cost of a condom is about a dollar.*
