Pageant Committee Notes

The following are notes from the pageant committee that all contestants must read and understand. We would like to see this pageant run on a professional level. We want this to be an event we can all be proud of. It is very simple; listen and follow the rules. If you have any questions, please ask the Pageant Chairman anytime before the pageant or at the contestant meeting. Please be professional and on time. This pageant isn't going to wait on you! And most of all, have fun and enjoy yourselves.

1. This is going to be a very fast paced pageant. As soon as you are done with your first category, you need to be back stage changing into your next category. There will only be 2 guest spots (approx. 8 minutes) between each category.
2. Please pick your dresser wisely. This person will help you do everything. There is little room backstage so preplan what you're going to do.
3. This pageant is not going to wait on you! If you miss your call time, you will be scratched. NO EXCUSES. Consider this your warning.
4. Dressing area: The Center has limited electric plug-ins. So, we need to get creative when it comes to using electrical outlets. Please be sure to bring with you a multi-outlet extension cord and a lighted mirror. Some parts of the dressing area are very dark. Please plan ahead!
5. You will be given a general lineup at Saturday's 6pm meeting at The Center. We are not able to post all of our curtain call times because we keep the pageant moving as fast as possible.
6. Remember, the first curtain call will start at 8:30 p.m. We will take it from there!

Please preplan all of your steps and dress, makeup and hair changes. Please get organized and be professional. We wish all contestants the best of luck!
